

# Bowl game bound?

## Protect your trip!

You're going to a bowl game! It's an alumni experience like no other.

**As you make your bowl game travel plans, don't forget to protect your investment with travel insurance.**

A travel protection plan can cover you for any pre-paid, non-refundable trip costs, such as:

Game tickets | Airfare | Lodging | And more

Plans also provide coverage for emergency medical expenses and evacuation should something truly unexpected happen. We may not like to think about these things, but wouldn't it feel good to know you have coverage?

Plan Benefits Include:

- ✓ Trip Cancellation
- ✓ Trip Interruption
- ✓ Travel Delay
- ✓ Emergency Medical Expense
- ✓ Emergency Medical Evacuation
- ✓ Baggage Delay
- ✓ Baggage Loss and Damage
- ✓ 24/7 Travel Assistance

*Read plan document for specifics, including exclusions and terms and conditions.*

*Buy your plan right after booking your arrangements (or buying your tickets) to get early purchase benefits. Certain benefits only apply in an early purchase window. See website for details.*
